Read the following paragraph and answer the next question.

Change does come after a prolonged cold weather. Soon enough, the days get longer, the buds come out in the trees, birds sing, and the world puts on a green dress. Spring passes into summer. Everyone knows that summer will not last. The power of all the wisest men and women in the world cannot keep it for us. The corn becomes ripe, the leaves turn brown and then drop to the ground, and the world changes its green dress for a dress of autumn colours.
