A: English (20 Marks / Questions)

Read the following paragraph and answer the next question.

A man is known by the book he reads as well as by the company he keeps; for there is a companionship of books as well as of men and one should always live in the best company, whether it be of books or of men.
A good book may be among the best of friends. It is the same today that it always was, and it will never change. It is the most patient and cheerful of companions. It does not turn its back upon in times of adversity or distress. It always receives us with the same kindness; amusing and interesting us in youth, comforting and consoling us in age.

Q.   Which of the following would be the most appropriate title for the given passage?

     a.   Books show the reader's character
